

I Sing You A Song

*music and lyrics by Dee Carstensen & Julie Dansky
(Skyward Bound Music/BMI Back to Kona/ASCAP)*

I sing you a song my little one, my little one
I sing you a song forever I love you
I sing you a song my little one, my little one
angels are watching above you, I love you

In the evening
oh the stars are so bright
oh the morning
dances with the early light

I sing you a song my little one, my little one
I sing you a song forever I love you
I sing you a song my little one, my little one
angels are watching above you, I love you

In the evening
oh the stars are so bright
oh the morning
dances with the early light
