Update 2010-2011

Dear Friends:

As we celebrate the beginning of our 9th concert season, we reflect with gratitude on our unique journey and look forward to many more years of giving back to our community through our benefit performances. Perhaps you were there at our first concert in June 2003 and have followed us since, or you have joined us along the way. Or maybe we've been able to help your organization. Whenever and however we first became acquainted, we are grateful that you have made Take Note! a part of your life. It is this continuing community support and encouragement that allow us to keep reaching out to others.

We hope you can offer your financial assistance to our worthy cause. Every year, we help a number of local nonprofit organizations raise funds. As you know, many of our neighbors are struggling, and there is no shortage of requests for our services. We continue to offer everything without cost to these organizations—and we continue to derive great joy from doing so. However, although there is no cost to those who benefit from our performances, we do have expenses—from music, to printing, to supplies, to administrative costs, to rehearsal and performance expenses (no members of Take Note! are compensated for their participation), and while Take Note! members contribute financially to the group—in addition to contributing our time and effort—we must rely on support from our community in order to continue to expand our outreach.

Please look over the following information, and consider becoming a supporter of Take Note! for the 2011-2012 concert season. For your convenience, we have included a donor response card and return envelope for your tax-deductible donation (Take Note! Inc. is a 501(c)3 nonprofit organization). It takes many different notes to make wonderful music, and we hope that you will choose to help us make music with whatever level of support you are able. Donations will be acknowledged in our concert programs. As we share our love of choral music, your support of our endeavors can help make a difference in the lives of your neighbors.

Please join us for an afternoon of our music, followed by a reception, on **Sunday, June 12, at 3:00 p.m.** at The First Church of Christ in Mansfield (Routes 89 and 195 in Mansfield Center). We are sure you will like what you hear, and we would love to see you!

Through performances in support of charitable endeavors, we are raising voices, raising spirits, raising hope...

Take Note! was founded in February 2003, inspired by Artistic Director Linda Tracy's desire to lead and be part of an a cappella group of select, talented, local singers who enjoy eclectic, challenging music. The mission of the group naturally evolved as members of *Take Note!* recognized that benefit performances could support local community organizations, while at the same time supporting the group's need to make beautiful music. The group became a non-profit organization in July 2004. And here's what the organizations we have helped have been saying ever since:

• Thank you so much for such a wonderful concert. The audience loved it—we had so many positive responses! The [food bank] was thrilled with the amount raised.

• It is so wonderful knowing that there's a group of fine people who care about helping their community of local nonprofit groups.

• The funds raised by your efforts will ensure the operation of [our] project.

• Thank you all...for your tremendous generosity and your spirited performance to benefit our program. How fortunate we all are to have such talent in our region. The hard work you all put into the group...as well as your passion for the music and performance...was evident and infectious. The money raised will impact the experiences of our students strongly.

• Thank you for giving of your time, your talents and your beautiful voices.
• It was a wonderful evening and a generous way to share and give back to the community. You uplifted us all.

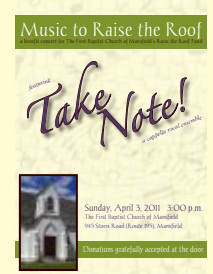

• Thank you for another successful concert. We thoroughly enjoyed all of the singing talent and musical selections. Your generosity of time and talent enabled [us] to raise a substantial amount for our program.

• The interaction between performers and audience was pure magic. Thank you all so very much for your efforts. We look forward to a future collaboration—knowing it will be a wonderful event.

• Thanks to the members of *Take Note!* for donating their time and beautiful voices to our fundraising concert. It was such a pleasure to have everyone enjoying themselves while supporting our community.

• Heartfelt appreciation for the generous gift of your beautiful voices. It was a joyous and inspiring concert. What a wonderful gift you have, made more wonderful in its sharing for charitable causes. Your gift will help to ensure that [our organization] will be here for generations.

A Note From our Artistic Director

We are eagerly looking forward to the coming year! Our long-awaited second CD will be recorded by early summer, with plans to release it in the fall. We're most grateful that we've been able to hire a professional sound engineer to see to it that the next Take Note! CD in your collection is of excellent quality! This new recording comes none too soon, as we have now sold all of our first CD, *Sweet Songs from the Quiet Corner*.

For our upcoming concerts, we have added some wonderful new music to our repertoire, and will be revisiting some of our old favorites. I know that you'll find our 2011-2012 performances just as entertaining and uplifting as ever. And, with our 10th anniversary approaching in just one year, we're busily planning ways to celebrate!
